

1916 Bursary Fund

2020/21

The 1916 Bursary Fund is a target funding scheme of the Department of Education and Skills to support the participation of underrepresented students in higher education. Applicants must be new entry students to first year of an eligible undergraduate programme in 2020/21.

Applicants for the 2020/21 1916 Bursaries in UL must enter through one of the following pathways:

- Higher Education Access Route (HEAR) or UL's Access to University Course*
- Disability Access Route to Education (DARE)
- Mature Student Entry (*first time entrants only*)
- QQI Award Entry
- Part-time programme entry (*eligible programmes only*)

Applicants applying through one of the pathways above may also be from one of the following target sub-groups:

- Lone parents
- Member of the Irish Traveller community
- Ethnic minorities (including programme refugees)

**Applications from HEAR or Access to University Course (AUC) students will be assessed using the information already provided as part of the HEAR admissions system and therefore they do not need to complete this application form, other than if an applicant wishes to be considered under the Member of the Traveller community, Lone Parent, or Ethnic Minority subcategories.*

Applications are now open.

The closing date for applications is **5:00pm Friday 4th September 2020.**

Eligibility criteria, application form and FAQs are available via the link below
