## **ByrneWallace summer intern programme**

ByrneWallace is one of Ireland's largest law firms and every year we run a summer intern programme aimed at those looking to develop a career in law. Our intern programme is an integral part of our Trainee recruitment process.

## **Intern programme details**

The ByrneWallace summer intern programme is an excellent opportunity to gain a detailed insight into the legal working world. It is an ideal platform for those interested in pursuing a career as a Trainee Solicitor and ultimately as a Solicitor. You will spend 4 weeks working with one of our core departments and will experience at first hand the role and responsibilities of a Trainee Solicitor. At the end of the programme, which includes comprehensive training, you will be requested to present on a research topic.

## **Intern programme dates**

The Internship will run for a 4 week period during the month of June 2015.
